

## School Division Receive Con. Delegates Report

Minutes of the meeting of Wainwright School Division No. 32, held at the Board room of the Public School at Wainwright on August 28th, 1946.

Members present were H. E. Spencer, Chairman, T. C. Sanders, J. E. Dixon, Wm. Lawson, C. Dallyn, Mrs. A. McLeod, Visitors: Mr. C. Archibald of M.D. No. 61.

The meeting opened at 9:00 a.m. with all present.

Moved by Mr. Lawson that the minutes of the last meeting be adopted as read. Carried.

Moved by Mr. Spencer that the request of the L.O.O. of Edmonton to hold the school at Wainwright be concurred in. Carried.

Moved by Mr. Sanders that the report of the Conveyance Committee be adopted and that all parents concerned be notified through the mail and a copy of the schedule be sent. Carried.

Moved by Mr. Sanders that we purchase a house from Mr. G. Mader at Payson for the sum of \$2000.00 to be used as a teachers' house. Carried.

Moved by Mrs. McLeod that teacher applications be accepted as follows: Mrs. L. Daniels—Greenfield; Mrs. A. Olson—Plaxtonville; Mrs. L. Tondy—White Cloud; Mrs. D. Armstrong—Glenholm; Mr. L. Gask—Wainwright Commercial High; Mrs. E. Cooley—Metropolitan; Miss N. Funk—Roseberry; Mrs. D. Owen—Albert; Mrs. M. Overbo—Jarrow; D. E. Peterson—Payson. Carried.

Moved by Mr. Spencer that superintendent's report be adopted. Carried.

Delegation from the Grade 14 School met with the Board to discuss the possibility of opening the school. No action taken.

Moved by Mr. Spencer that Dormitory privileges be given to all pupils of the Wainwright School Division No. 32 on the understanding that all Dormitory regulations be strictly adhered to and further, that preference shall be given to those attending Divisional High Schools. Carried.

Moved by Mr. Lawson that the following be adopted: 1. Attendance, 2. Pre-Schools, 3. Home Visits, 4. INOCULATION: Diphtheria, 26; Scarlet Fever, 208; Small pox, 13; W.C., 6; Biphtheria, 24; Dick Tests, 24. HEALTH EDUCATION: Office Visits, 18; Literature distributed, 50; Newspaper publicity, 3; Letters and circulars, 3.

Respectfully submitted, Aletha M. Knudson, P.J.N.

Moved by Mr. Lawson that Repairman's report be accepted. Carried.

Moved by Mr. Spencer that we accept the kind invitation of Mrs. A. McLeod to hold the next meeting of the Board at her home. Carried.

Mrs. McLeod gave a concise and

## To The People Of Irma District

The following was submitted to us by the Irma Board of Trade for our consideration to publish. Being an independent newspaper we have taken on the liberty to publish this report so that our Irma readers might know the facts as stated herein.

We can not vouch for the accuracy of these statements as they were submitted to us by the Irma Board of Trade and therefore can not assume any liability.

To the People and Taxpayers of Irma and District

You have noticed in the last three issues of the Irma Times an article by the Committee of the Irma Hospital proposed by Wainwright. We would particularly call your attention to paragraph 5, which takes great pains to set out the estimated figures of operating a small hospital at Irma, which is the most surprising to us to hear that the proposed Irma Hospital is to be a small hospital. We would also ask you to study Schedule 'E' of their report wherein the figure of 18 miles is mentioned as the radius of the hospital for the Irma hospital. Now turn back to paragraph 5, and we find the words '18 miles on the average' present Irma Hospital Area. These figures and phrases are very misleading. Please note the following facts as supplied to us by the Minister of Health, the Hon. W. W. Cross. The proposed Irma Hospital Area is sufficient to build and maintain a hospital as approved by the Dept. of Health at a cost of \$15 million. We have today in our possession properly filled in and witnessed petitions, signed by a great many land owners outside of the declared area, who wish to come into the Irma Area. These petitions are being filed in as fast as others come forward to affix their signatures. At the present rate we will soon be able to present to the Minister enough petitions to nearly double the size of the present Irma Hospital Area.

What the people of the Irma District are striving for is a doctor, nursing care and a hospital within reach of each taxpayer. The Committee of the large Wainwright Hospital did not mention the many times that a doctor is needed urgently and quickly. The Committee did not mention the very high cost of obtaining the services of a doctor who would have to drive 75 or 80 miles to some place that could not be moved. They (the Committee) did not mention the many times that a doctor is needed when the mercury stand at 40 degrees below zero and the roads blocked with snow. They (the Committee) did not mention that your taxes would be the same, 25 miles, 30 miles or 45 miles from this large hospital which would be about as much use to the taxpayers of Jarrow and district as the hospitals of Edmonton.

Think this over very carefully and choose wisely. If the Irma district is taken into this Wainwright large area, you have lost your chance of ever having a doctor or hospital of your own and will still be paying in money for someone else's convenience. Your choice of the hospital question has not been idle and very soon we hope to call a public meeting so that all points will be made clear. This meeting will be attended by an official of the Dept. of Public Health.

THE IRMA BOARD OF TRADE

## Baseball League Meeting At Edgerton

Minutes of the last meeting were read and adopted on motion of Glen Neff and Baxter.

The following motions were adopted:

1. On September 24th in Edgerton all four teams play for league championship. Wainwright vs Edgerton at 1:00 p.m. Chauvin vs Ribstone at 3:00 p.m. both 7 inning games with final game at 6:00 p.m. A collection to be taken during each game.

2. That net gate receipts be split evenly between both teams.

3. Each team supply two new baseballs.

A meeting be called early in May 1947, to organize for next year. Meeting closed at 8:30 p.m.

## M. Hornberger Killed Suddenly At Penhold

Shocking word was received in town, notifying relatives that Mr. Mart Hornberger, a former resident here, was instantly killed in a railway crossing crash.

It appears from recent information available that he was driving his car near Penhold and went to cross the main line of the C.P.R. when his car collided with the "Chircock" at approximately 11:10 a.m. Saturday morning last.

Mr. Hornberger was killed instantly and the car was completely demolished. No information is available as to whether the train was damaged or not.

The funeral will take place today (Wednesday) at 1:00 p.m. from the Mormon church in Calgary with interment taking place in the family plot near McLeod, Alberta.

Left to mourn are his loving wife and two children, Mariens T. and John. Also surviving are the deceased's mother and father as well as several brothers and sisters.

## A.F.U. Delegation Off For Ottawa

Headed by Carl J. Stimpfle, president, the Alberta Farmers' Union delegation left Saturday night for Ottawa. With the president were A. R. Hadwin and C. D. Fuhr. They said before leaving that if the federal government does not accede to the A.F.U. demands a non-delivery strike will be called immediately.

Before leaving, the delegation received a telegram from Ottawa stating that the representation will be heard by the federal government later in the week and not on Wednesday as had been requested by the A.F.U. This postponement is due to the pending arrival in Ottawa of Field Marshal Lord Montgomery.

CALGARY—United Farmers of Alberta board of directors has no mandate from its membership to organize a strike in support of a possible Alberta Farmers' Union non-delivery strike. George E. Church, president, said here Saturday.

He remarked the U.F.A. was in sympathy with the brief the A.F.U. intend presenting to the government and had itself made similar demands in the past. It worked through the federation of agriculture, however, he added.

M. H. Ward, member of the U.F.A. executive, Arrowwood, stated his personal view was if the proposed farmer strike materialized it would not succeed. He said he was not in sympathy with the idea because the farmers were not properly organized to support a strike.

—Edmonton Journal

## With The Field Supervisor

by F. W. Maddox

The question again arises, "what are you doing about your weeds?" I still notice as I drive through the M.D. of Wainwright, many patches of thistles growing and spreading, indicating the fact that the weeds are not being controlled.

So I find it necessary once more to draw to your attention the urgent need for controlling these weeds, and stopping them from blowing to cause further infestations.

Let us take this opportunity to see how many farmers cutting and burning their weed patches this season and how many have been in the office to purchase Sodium Chloride (weed chemical), for weed control.

Harvest has started, but it is still not too late to stop those weeds from spreading. If you are cutting with the under and find an infestation, cut it down, mow the patch and have the stockers leave the sheaves undisturbed to be burned later. DO NOT throw INFESTED sheaves. If using the combine, leave the infestations until later and cut with the mower and burn.

The most satisfactory practice is to mow the large thistle infestations before entering the field with the binder, so there will be no danger of thistles blowing or being threshed by the binder.

Once again, let us start now to decrease the weeds and increase the bushels.

DON'T NEGLECT THE SUMMER FALLOW

Harvesting of early seeded crops is underway and the critical period in the control of perennial weeds has begun.

H. J. Mather, Supervisor of Weed Control for the Dept. of Agriculture, says that the most common reason for lack of control by summerfallow is such perennial weeds as Canada thistle and Sow thistle. Is the failure to follow through. In order to control these weeds, summerfallow must be continued until freeze-up. Neglect during the fall means waste of the time and money spent on the fallow during the summer.

## Whats Behind Farm Machinery Strikes

Farmers' inability to buy enough new equipment has been exacerbating enough, but something much bigger may be involved; read this article and see what you think.

If you're struggling to get your crops harvested with worn out machinery, and you wonder why in Ham Hill you can't get more new stuff, the answer is simple and easy: strikes have crippled 26 farm equipment plants since V-J day.

Two J.I. Case plants have been idle since last December. Several Deere plants have closed two months. International Harvester for three months. Caterpillar Tractor for two months. New Idea for more than two months. Oliver for two months. Minneapolis-Moline for more than a month. Allis-Chalmers for more than two months.

Some of these companies are now making machinery again. But thousands of combines, corn pickers, tractors, and other machines needed this fall will not be ready—not only because of strikes in the big machinery plants, but because of a shortage of parts from other strike-bound companies.

Serious as all this is something much bigger, much more far-reaching may be involved.

Have we been witnessing, in some of these strikes, the newest attempt of Communists and their "liberal" confederates to throw a monkey wrench into the American way of doing business? It's not so much the strikes as the pattern of some of them that seems significant. It's not wages and hours, but free enterprise itself that is at stake.

Let's look at the Allis-Chalmers situation, for one. To understand it you have to go back a little.

Harold Christoffel was reputed to be a member of the Socialist party, who was so much of an extremist that he resigned in 1938 when the old-line Socialists threatened to read him out of the party. He got a minor job at Allis-Chalmers, soon became the big shot of Local 248 CIO-UAW, then got a five year leave-of-absence to handle union affairs. Until then, Allis-Chalmers had always had rather quiet labor relations, but after Christoffel took control there was continual trouble.

The Climax came in 1941 before when Allis-Chalmers was tied up by a 76-day strike that the government said set the Navy back a full six months in its defence program.

When the strike vote was taken at that time, 4,547 men were counted going in to vote, and 6,759 ballots were cast. The union itself finally admitted a fraudulent election, but to this day no charges have been lodged against anybody.

The union talked of another election, but President Roosevelt stepped in and with a sweep of the hand set the strike, then provided an army airplane to take Christoffel back to Milwaukee—quite the fair-haired boy.

For several months Christoffel struggled successfully to stay out of the army, but finally he was classified as I-A and taken. His own candidate for president succeeded him—Robert Buse. More trouble followed.

The union at Allis-Chalmers shifted its policy from anti-war to pro-war the day Germany attacked Russia—an action which has caused leaving members to be dubbed "Japs 22 patriots" ever since.

Even Walter Reuther, now national president of UAW, was quoted in the Buffalo Courier-Express as saying that the Allis-Chalmers local was dominated by political racketeers of the Communist stripe.

Now come the present strike. The company offered wage increases of 18 cents an hour to match the national pattern, and has met the workers' demands on hours, and working conditions. But early in July the union revised its wage demands, seeking 40 to 49 cents more an hour.

This and earlier evidence of a determination not to let the strike end

## Miss Gladys Spornitz Weds John H. Saker

The Presbyterian church, Wainwright was the scene of a pretty wedding recently, when Miss Gladys Spornitz, third daughter of Mr. and Mrs. W. Spornitz of Steath, became the bride of Mr. John Saker, eldest son of Mr. and Mrs. Saker of Chauvin.

The bride, given in marriage by her father, was tastefully attired in a lime green dressmaker suit with matching accessories. Her corsage was of roses and her only jewelry was a pendant and earrings, gifts of the groom.

Miss Alton Spornitz, who attended the bride, wore a rose dressmaker suit with accessories to tone and wore a corsage of bronze roses.

The best man was Mr. Ken Saker, brother of the groom.

The reception was held at the home of the bride's sister, Mrs. L. Messer of Wainwright, where the Rev. A. Hancock proposed the wedding toast among many guests. The table was decorated with a tiered wedding cake and seasonal flowers.

The bride's mother wore a black crepe suit with matching accessories and a corsage of pink carnations, while the groom's mother chose a black crepe dress and accessories with a corsage of white carnations.

Later Mr. and Mrs. Saker left on a short honeymoon to Edmonton and Banff.

## Departing Couples Honored Last Week

Thirty guests and friends of Mr. and Mrs. F. Coutts and Mr. and Mrs. J. Finlay gathered at the home of Mr. and Mrs. F. E. McLeod on Thursday last, August 22nd, to honor these two families who are soon to leave Wainwright to reside in other parts.

A pleasant evening was spent around the piano during which a sing-song was fully enjoyed.

Mr. and Mrs. Coutts plan to leave shortly for Edmonton where Mr. Coutts has accepted a position on the University staff. Mr. and Mrs. Finlay will be leaving shortly for Vegreville where Mr. Finlay has accepted the position of principal of the high school at that point.

## Surprise Party For Local Lady

A surprise party was held home evening last week at the home of Mrs. N. Sanguin by a number of her friends. It was a very enjoyable evening at the close of which Mrs. F. Stevenson and Mrs. V. Little served dainty refreshments.

Mrs. Sanguin who leaves this week for Kelvington, Sask., her mother's home, was presented with a lovely gift.

She will return to Wainwright for an indefinite period, bringing with her, her daughter Nora who has been a guest of her grandmother.

## Credit Union Officers Make New Appoin'ts.

The officers of the Wainwright & District Savings and Credit Union Ltd., recently made three new appointments. They are as follows: Director: A. J. Patterson, Heath Manager-Treasurer: David J. Gibson

Wainwright.

Secretary: J. A. Crawford, Wainwright.

Mr. Gibson's office has been offered by him which will give a new service to credit union members. Mr. Gibson has had considerable experience keeping books. His business experience will give promptness to the members business. The credit union office hours will be the same as his own.

Any person living in Wainwright or district may do their business transactions with Mr. Gibson during regular office hours.

Wainwright has the largest savings and credit union in the P. taking in a rectangular area from Hugabent to the North Saskatchewan River and from Vicking to the Saskatchewan border.—Con.

## Forty Car Drivers Licenses Suspended

Forty drivers' licenses have been suspended in Alberta this year for various causes, according to information received from the provincial secretary's department by the Alberta Motor Association.

During the whole of last year, the number suspended was 68.

Provincial legislation provides that magistrates shall have power to suspend driver's licenses when a conviction has been made for violation of the law and such a course appears desirable in the circumstances.

In many of the cases, the drivers had been found guilty of reckless driving or similar infringements of the statute.

The A.M.A. has emphasized the need of observing safe driving principles and create a greater interest in safety education.

The Wainwright Branch of the Canadian Legion wish to attach to the Memorial Clock Tower in Wainwright a tablet inscribed with the names of those men and women of Wainwright and District who, while serving in the Armed Forces, laid down their lives in World War II.

It will be appreciated if relatives and friends will send in these names to us prior to October 15th, next. Names and initials are all that is required, neither rank nor regiment need be mentioned.

Secretary, Canadian Legion,  
14-10 Wainwright, Alberta.

## No P.M.C. This Year

Latest word from the P.M.C. committee, to date is that unless something very unforeseen happens at the time of writing, there will not be a start made on the P.M.C. this year.

It was the earnest hope of the committee that the fund campaign was first started, that construction would begin as soon as the money was raised. Since that time there have been various shortages, until at the present time there is hardly enough material available to even think of starting construction.

It was pointed out by one of the officials of the committee that due to the shortage of housing in the Dominion, it would hardly be a fair proposition to build an arena when so many homes are delayed because of the cement shortage.

It was also pointed out, that now the town is to have a water and sewer system. It will be a much simpler matter to build the arena around the water installations than to place them in the building after it is completed.

Word has reached us also that although the ten thousand dollar mark has been reached, the campaign committee feel that it might take considerably more money now than anticipated and if anyone who has not given to the fund, feels that they would like to contribute, the committee would be only too glad to receive their donations. It was pointed out that the same generous co-operation would be appreciated this fall and winter among the various clubs, who have held affairs to further the financial gain of the fund.

The request for additional gains, is no doubt due to the higher cost of building materials that is expected will be in effect when time of actual construction begins.

## Birthday Party Last Tuesday

A very pleasant afternoon was spent on Tuesday, August 30th, at the home of Mr. and Mrs. A. Swanson when Marie and her friends celebrated their ninth birthday.

A number of her friends were present and they had a very enjoyable time after which a lovely lunch was served with Marie cutting her three tiered birthday cake.

## EDGERTON

Congratulations to Mr. and Mrs. Stanley Steele on the birth of a daughter, Mr. and Mrs. (Stewart) Gordon on the birth of a daughter and to Mr. and Mrs. Jack Geddes on the arrival of a son, all at the Wainwright hospital.

Earl Hallett opened his new store last Tuesday and it will be known as the Red & White. Work on Darty's new drugstore is going right along.

The Rev. W. Brooks was a visitor to the city last week.

Mrs. V. Brewitt of Schreiber, Ont., is visiting with her sister, Mrs. A. Sawyer.

Mr. Lloyd McIntyre, accompanied by Mr. and Mrs. Fitzmaurice and son, Mrs. Frances Fitzmaurice, all of Viking and Mrs. F. W. Fish of Edmonton, were visitors at the Ramsay home last Sunday.

Members of the Ladies Curling Club and a few friends paid a surprise visit to Lois Kingston at her home Tuesday to bid her farewell upon her leaving for Edmonton to take up her new post at the Bank of Montreal. She was presented with a very nice table electric lamp.

A party of High Schoolers surprised Anne Moskavich at her home Tuesday, she is leaving for Edmonton to continue her studies there.

Another new house is going up in the Village. Mr. Pickard is having it built on First Avenue.

Mrs. Kate Golding has moved into her house, the Welsh family into the Pickard house on Third Avenue and Bert Wilkinson and family into the one recently vacated by the Reeds.

George Nesbit of Calgary is the new corner to the Bank staff here.

Roy Davis accompanied by his wife and Mrs. George Sawyer and Georgina were city visitors.

The Edmonton bus now stops at Browns Garage in town.

Norman Miles took delivery of a new 3 ton Mercury truck supplied by Geoff Miles and Jim Steele delivered a new 3 ton L.H.C. truck to Grant McCagherly.

Mrs. M. Roberts and Marguerite are visiting in the city and Telford.

The first delivery of new wheat was made by Ron Fawcett to the Pool Elevator Saturday. It weighed 61 lbs. to the bushel and will probably grade 1.

Service next Sunday, September 1st, at St. Mary's Anglican Church will be at 7:30.

The battle for world peace is not a matter of taking sides about it, but problems of taking leadership in solving them.

## PELICAN

Too much harvesting—not much new!

Mr. Marguerite Jackson is to teach at Indian school this coming term.

The Newell family returned a while ago and are very busy harvesting a fine crop.

Mr. and Mrs. H. Bolt came by bus from Edmonton last Tuesday to lend a helping hand with the harvest.

Mr. and Mrs. W. S. Murray and Connie from Edmonton are spending a portion of their vacation with Stuxton and family arriving Sunday evening.

Mr. and Mrs. Alf Clark and Emil are assisting with harvesting on the farm.

How about a little agitation in and about Edgerton for 24 hour telephone service?

## HEATH

Mr. and Mrs. Hughes and family motored to Provost during the weekend to visit their relatives there. Miss Jean Hughes returned with them.

Congratulations are extended to Mr. and Mrs. W. Baker whose marriage took place on Saturday (Gladys Spornitz).

Miss Amy Bouck returned from Edmonton after a few days spent visiting there.

Mr. and Mrs. Fred Ford are home again after a motor trip north of Edmonton.

St. Patrick's church service will be held on alternate Sundays during September. There will be a service on September 8 and Sunday school classes to be held every Sunday at 10:30.

Mr. and Mrs. H. Smith made a week-end trip to Vermilion to visit their daughter there.

Jim Ford has reported the appearance of an upland clover that he has seen for the first time in this part of the country.

Mr. and Mrs. Arthur Patterson have as their guest Art's sister, Mrs. Louise Moore of Edmonton.

The Star does not hold itself responsible for opinions expressed by correspondents. All letters must be signed by the writer of name and should not be longer than 200 words.

The Editor, Wainwright Star, Wainwright

Dear Sir,

Since you saw fit to print the letter of Mr. Roberts, branding the leaders of the A.F.U. as Communists I, as president of District 7, would like to say a few words in reply.

First I would like to say, that I do not like being called a communist and neither do I like the insinuation towards the rest of the A.F.U. officials. Knowing most of them personally, I would say they are one of the best groups of progressive, democratic farmers that Alberta has ever known.

Evidently Mr. Roberts doesn't know much about the A.F.U. or its constitution. The constitution definitely states:

Paragraph 1:—This association shall be nonpolitical, and any executive officer shall cease to hold office

immediately he becomes a candidate for an officer of, or an organizer for, any political party. Executive officer as above shall mean a member of the executive committee.

As for the officials being communist, let me try to show you how these men are chosen. Over 500 delegates meet in Edmonton every year for the provincial convention. These farmers represent all political parties in Canada, also have their own respective religious beliefs. Any one of these men may be elected to an executive position, providing he can show the rest of the delegates that he is qualified for such a position, also providing he is a willing horse and will be prepared to do a lot of work for nothing. As for being Moscow sponsored, let me tell you, we have no sponsor other than ourselves, and being a farmer sponsored organization, and naturally hard up for funds, I would suggest to you, Mr. Roberts, that you would do more good by sending a donation to help sponsor the proposed trip to Ottawa than by writing about something you apparently know nothing about.

Yours sincerely,

G. R. TINDALL, Jr.

Editor, Wainwright Star.  
Although it has been stated editorially by more than one newspaper that a farmer's strike is an impossibility, I do not hold that opinion. It is quite possible and in the present state of world unrest and frayed tempers together with false economic theories the danger is quite imminent, and the results could be disastrous not only to the ordinary members of society, but to the farmers themselves. To most people with discerning minds the fact is becoming plainer every day that there is a direct and sinister purpose behind the strike campaign which has already commenced to wreck the productivity of our industries. It is now threatening to spread to the farmers, although they are enjoying the most satisfactory prices, with the exception of 1916-18, in thirty years. There is a political movement in Canada whose strategy is directed, not at bettering the working conditions and purchasing power of its members, but to force a change in the whole framework of our economic life. The purpose being to compel government ownership as being the only solution to the necessary continued production. Individuals of this political movement have obtained key positions in farm organizations and labor unions and are endeavouring to drive these bodies along the destructive trail which is called by them a "dictatorship of the majority" which they have decided themselves into having. Democracy, but which leads to dictatorship and totalitarianism.

The infiltration of individuals inclined to the CCF school of political thought into key positions in the A.F.U. had become so strong in 1945 that it was impossible in my opinion to issue a warning to the membership of the danger that the Union was being wrongly led into the old rut of party politics and this might easily be disastrous for the Union. The executive has previously taken the broadcasting from Mr. Nichols, the secretary at that time, who had always endeavored to build a strong

## PATRONAGE DIVIDENDS to PIONEER CUSTOMERS

Customers who delivered to us in the season 1942-43 will receive cheques for their patronage dividend as soon as possible after the necessary Legislation has been passed by Parliament.

It will not be possible to pay patronage dividends for the years 1943-44 and 1944-45, as the Government has decided that patronage dividends cannot properly be regarded as an expense for these two years in view of rulings handed down in 1943 by the Department of Justice.

Customers who delivered to us in the season 1945-46 will receive cheques for their patronage dividend as soon as the amount can be determined.

It is our intention to pay a patronage dividend on grain delivered to us in the season 1946-47, if our earnings permit.

Keep in touch with our agent who will inform you when these cheques are ready for distribution.

## FARMING NOTES

By Prov. Dept. of Agriculture

### UNFIT MILK AND CREAM CANS

Dairy Branch officials of the Alberta Department of Agriculture report excellent co-operation from farmers and dairy plants in the campaign to discourage the use of faulty containers.

There are four classes of containers being condemned:

- 1) Cans which are very rusty inside.
- 2) Cans with split or open inside seams which allow milk and cream to lodge and sourify.
- 3) Cans in which the coating of tin is badly worn exposing the contents of the can to the bare iron.
- 4) Containers which are constructed of very light material, poorly finished and with loose covers.

Containers with any of these failings should not be used for either milk or cream. Even with the best care in washing such cans, any milk or cream poured into them starts to spoil as soon as it comes in contact with the rust, bare iron, or split seams that usually contain billions of bacteria. The grade is lowered and there is a corresponding reduction in selling value. At the same time the dairy plant must turn out a product which is not top quality. A provincial reputation depends essentially on the interest taken by producers in shipping high quality raw milk or cream to dairy factories.

### SELECTING TURKEY BREEDERS

A common practice with many turkey raisers has been to sell the early hatched and quick maturing birds at Thanksgiving time or for early fall market, leaving the late hatched and slow maturing birds to be retained as breeders. The Poultry Branch of the Alberta Department of Agriculture advises that this is a serious mistake. Late hatched poult are under-sized and of poor meat type. Every effort should be made to select breeding turkeys from the early hatched and more rapid mat-

uring birds. Choose only those that have a broad breast and a well fleshed and straight heel bone. Avoid the weak long-legged, stab-sided kind. For good development in turkeys they must be well fed and must be properly fattened and finished to be placed in the higher groups when marketed. Don't wait until a few days before selling to feed for proper flesh and finish. Begin now.

### ORDER RAMS & BOARS EARLY

Farmers who need pure-bred rams or boars are urged by the Livestock Branch to place their orders at an early date. Purchase of rams for placement under the Sheep Improvement Policy will be made at the Fall Sales around the 1st of October. Requirements known well in advance will enable representatives of the Branch to purchase accordingly. Rams will be purchased only in sufficient quantity to fill applications. Early application will result in the possession of a fine quality sire; late application may mean disappointment.

Early application for pure-bred boars is equally important. With the increased demand in hog production, many breeders will use the knife on their young boars, unless there is some assurance that these animals will be needed for breeding purposes. Even though delivery may not be required until December, orders should be placed now to avoid disappointment.

Application for purchase of pure bred rams or boars, should be made as early as possible to the nearest District Agriculturalist, or to the Livestock Branch, Alberta Department of Agriculture, Edmonton.

### FALL RYE

A reminder that fall rye is an excellent competitive crop for the control of weeds comes from A. M. Wilson, Field Crops Commissioner. When seeded in the latter part of August this crop usually establishes a heavy fall growth. In the spring it quickly covers the ground and smother many weeds.

To be successfully used in a weed control program rye must not be pastured in the fall or spring. Heavy fall pasturing may lead to winter killing or to delayed spring growth. If the crop is pastured in the spring the smothering effect on weeds is lost. Fall cultivation following rye will be particularly useful in controlling perennial weeds.

## World Of Wheat

### ORDER GOOD SEED NOW

The "Crop Testing Plan" this last winter and spring distributed to farmers just over 40,000 bushels of Registered and Certified cereal seed in the sack.

In the WHEATS, Thatcher was far and away the variety in greatest demand, followed closely by Red Bob. Then came Regent which year by year is showing an increase in popularity. There was a greater demand for Garnet than for many years past.

With the OATS, as usual Victory was far in the lead; followed next with substantial quantities of Ajax, the new production of our Rust Research Laboratory at Winnipeg. Ajax therefore, is a variety worth watching.

With BARLEY, O.A.C. 21 as usual was far and away the greatest demand. The next variety in popularity being Plush and then the new stiff-strawed feed barley Titan, which also, is worth watching.

Many farmers, unfortunately, who wanted Registered & Certified seeds, were disappointed because they sent in their orders too late, and the supply last year was quite limited.

My most earnest advice, therefore, to farmers who have made up their minds that they require better seed next year is to place orders for Registered and Certified seed as early as possible this fall so as to be sure of early delivery next spring.

### ITEMS OF INTEREST IN

#### THE WORLD OF FOODSTUFFS

Seeding of wheat and coarse grains is completed over a large part of Argentina, and reports substantiate predictions of larger acreage—U.S.A. winter wheat and spring wheat crops are estimated at a record high of 1,132,075,000 bushels.

Italy's wheat crop is larger than last year, but still below pre-war average, and desirable wheat imports are anticipated.—Wheat production in Australia is now estimated at 120,000,000 bushels, compared with an earlier estimate of 200,000,000 bushels.—Food supplies in south-east Asia continue poor, with no hope of a higher ration in cereals.

You can only die for your country once but you can live for it daily.

A change of policy is only convincing if it comes from a change of heart.

## Northern Cut-Off To Save Car Mileages

If the proposed paved highway from the international boundary through to Dawson Creek, B.C., takes the route from Edmonton by way of Whitecourt to Grande Prairie a distance of 100 miles would be cut off the present circuitous route, according to Hon. W.A. Fallow, minister of public works.

The minister, who was a member of a delegation that made representations to the tourist committee of the Canadian senate as to the need of the paved tourist highway, expressed the opinion that the committee which would be called upon to make a decision would favor the Whitecourt route. The unconstructed part of this road from Whitecourt to Grande Prairie already has been surveyed.

The question of the province and dominion sharing the expense of the proposed highway now is under consideration at Ottawa.

Officials of the Alberta Motor Association which is advocating the need of improving Alberta's highway system and bringing it up to a standard that would meet all traffic demands, including tourists, have expressed keen interest in proposals made at Ottawa. The whole situation is expected to be discussed when A.M.A. directors meet.

### HEALTH SAVERS

Many diseases are preventable, point out health authorities of the Department of National Health and Welfare, in reminding parents of definite protection available against common childhood diseases. Since vaccination and inoculation are two weapons with which an infant may be armed against infection, the department urges that all children be given these safeguards and that parents consult their family doctors concerning why, how and when to take advantage of them.

### LIVE AND LAUGH

Laughter, recreation and amusement are tonics for mind and body alike, and the Department of National Health and Welfare suggests that clean, healthful fun should form part of everyone's way of life. Centuries ago, says the department, many people believed that it was sinful to laugh or have fun. Today, we know that "moroseness and gloom are often the handmaidens of illness and decay."

It's no use wanting a change unless you want to change.

## YES...BUT WHAT IS IT WORTH?

Little you care how much silver is contained in the 50c piece you take into a store. What you want to know is what it will buy.

Well, that depends very much on yourself, ourselves, and the millions of others like us. If free and careless spending brings inflation, your 50c piece will buy less and less as prices rise... how much less, no one can say.

You can guard against inflation... and, if you are a No. 1 citizen, you will. How?... By conservation in your personal finances...

Here are five ways you can fight inflation:

- Hold on to your Victory Bonds
- Buy only those goods which are in fair supply and save your money for the day when goods now in short supply will be readily available
- Avoid black market purchases
- Keep up your insurance
- Build up your savings account

This means wise spending and wise saving.

This is conservation—the first requisite for personal security—the first attribute of good citizenship.

**BANK OF MONTREAL**

working with Canadians in every walk of life  
since 1817

This is why we say:

If You Are  
a No. 1 Citizen  
You will look after  
No. 1...

This is not selfishness,  
but the realization that  
a community is no  
better, no sadder than  
its citizens.

## In Appreciation

In appreciation of the pleasant business relations enjoyed by ourselves during our eleven years in Wainwright, we would at this time like to extend our thanks to our many customers and friends.

Effective September 1st, the business will be owned and operated by our son, Mr. William Cowley, and we earnestly hope that your patronage shown to us in the past will be continued to our successor.

Again we say—

THANK YOU,

**Mr. and Mrs. Vic Cowley.**

## NEWS & VIEWS OF TOWN AND DISTRICT

BORN—To Mr. and Mrs. J. S. Steele of Edmonton at the Wainwright municipal hospital on August 21st, a girl.

BORN—To Mr. and Mrs. D. Cartier of Calgary at the Wainwright municipal hospital on August 21st, a girl.

BORN—To Mr. and Mrs. R. King of Calgary at the Wainwright municipal hospital on August 24th, a boy.

BORN—To Mr. and Mrs. R. Tizard of Edmonton at the Wainwright municipal hospital on August 24th, a boy.

BORN—To Mr. and Mrs. F. Geddes of Edmonton at the Wainwright municipal hospital on August 24th, a boy.

CORRECTION—It was incorrectly stated in last week's issue in the strike vote story of the A.F.U. that there were 56 votes for, 4 against and one spoiled ballot. This was a mistake of the editors and should have read 56 for, 4 against and no spoiled ballots.

We notice that Tony Kristenson has now a new air compressor in the garage. It was still in the crate when we saw it but Tony says that he will have it installed in short order.

Mrs. Sid Woodward left last week for Whitecourt where she will attend the funeral of her father.

Miss Elizabeth Buhl returned last week after a two weeks holiday in Edmonton visiting her sister, Mrs. K. Edgar, at that point.

Mrs. A. McKenzie, accompanied by her daughter, Shirley and Wendy, returned home Saturday night last after a lengthy stay at Mrs. McKenzie's parental home in Calgary.

Mr. and Mrs. A. Swanson and Marlene left last week for a short holiday to be spent with relatives at Delisle, Sask., and other points.

Mrs. P. T. Haywood was a tripper to North Battleford last week where she spent a short holiday visiting with relatives.

Mr. and Mrs. H. Patterson and son were visitors to Edmonton at the beginning of this week on a short business trip.

Cordial Invitation Extended To All

WAINWRIGHT GOSPEL MISSION  
L.O.O.F. HALL  
Sunday School—1:15 p.m.  
Gospel Service—3:30 p.m.  
Speaker: Mr. Curott  
Weekly Prayer Meeting

Mr. and Mrs. Ray Francis from Norman Wells, N.W.T., are in town this week renewing old acquaintances and are staying at the home of Mr. and Mrs. F. E. McLeod. Ray will be remembered by many as being on the strength of the local R.C.M.P. detachment at one time. Mrs. Francis will also be remembered by many as the former Miss Berg who was at one time on the nursing staff of the hospital.

Mrs. A. Harden was a tripper to Calgary last week visiting her daughter Ruth who resides in that city.

Mr. and Mrs. H. Walker are in the district at this time to visit their son and daughter-in-law, Mr. and Mrs. Bert Walker and also help with the harvest.

We have received word that Mr. Bob Campbell, north of town, will have a demonstration orchard planted at his farm next spring under the Agricultural Improvement Plan. Someday B.C. will have nothing on us we will be able to harvest a fruit crop also.

Mr. and Mrs. Hunter Branchflower are in the district having motored from Vancouver on their honeymoon to visit friends and relatives here.

Miss Ione Dundas has returned to her parental home after receiving her discharge from the C.W.A.C. at Calgary. She has been stationed at the west coast during the latter part of her stay in the army. How is civvie street? Ione.

Dr. and Mrs. H. Wallace received word last week that their son, Beatty, has been appointed Demonstrator in Anatomy at McGill University in Montreal. This is indeed quite an honor. Beatty and we wish you good luck.

Mrs. S. Ryan and Mrs. B. Purdie and children are away to Mrs. Purdie's parental home at Cloon, Sask., for a few days visiting and renewing acquaintances.

We noticed Johnny Mitchell away from the store one day last week and hear that he was busy with ye old paint brush giving his residence a new face lifting. Stephens paint no doubt, eh John.

Mr. Charlie Thurber is back at his desk in the Treasury Branch after a motor trip that took him to Western points on his holidays.

Pretty nice job that we notice Stan Valdez is now driving. He took delivery of a new Mercury truck from the local agents here in town, Tory and Peacock.

Mrs. D. Bond is back at her work now after a well spent holiday in Edmonton visiting her mother. She was accompanied by her daughter, Bunny.

We understand that Mr. S. J. Ryan of Edmonton (Stan's dad) has purchased the former Vic Cowley house on 3rd Avenue east.

Mr. and Mrs. I. Padmos and son left on Sunday's train to make their future home at Riverdale, Ontario. Paddy has been employed with the Ford plant at that point.

Mr. Ben Hodgkins, Jr., of Jasper and children, are visitors at the home of Dennis's mother and dad, Mr. and Mrs. B. Hodgkins, Sr. in town.

We are sorry to hear of the short stay of Mrs. R. Wilkins in the local hospital last week. She has since returned home and is now feeling somewhat better.

Mrs. F. Hart is away to Calgary after receiving word of her son-in-law's tragic accident on Saturday last.

Mrs. N. Sanguin left Tuesday to visit friends and relatives at Kelvington, Sask.

Miss Bessie Carsell is back at the switch board at the telephone office after her two weeks vacation spent at Saskatchewan points.

Mr. and Mrs. Olan Montjoy and Dixie were Sunday visitors at Dixon's home in Chauvin.

Mr. and Mrs. E. Davignon returned last week after a vacation spent with their daughter Ellen in Windsor, Ont.

Mrs. Roy Reynolds left on Monday night's train to attend the next semester at Yale University at New Haven, Conn. Roy will be remembered as the class valedictorian for the U of A for 1946.

Mr. and Mrs. L. Torg have as their guests, Lewis's cousin Mrs. Cleaver and son Ralph visiting them from Detroit, Mich.

Mr. and Mrs. J. Smith were guests at the home of Mr. and Mrs. L. W. Smith last week.

Mr. Harold Craig motored to the city over the week-end accompanied by Mrs. H. Straus and Messrs. Albert and Joe Craig.

Mr. and Mrs. Harry Latch were business trippers to the city last week. Mrs. Latch remained in the city while Harry returned Sunday night.

At time of writing the bills are not out, but the V. Cowley Sale is scheduled for Saturday, September 7th. This reminds us, if you are planning an auction sale this year make it a point to tell your auctioneer to have the bills printed at The Star.

## Elite Doings For The Month Of September

Sept. 2-3—"Abbott & Costello In Hollywood"  
Sept. 4-5—"Follow That Woman" & "Hot Cargo"  
Sept. 6-7—"Junior Miss"  
Sept. 9-10—"Call Of The Wild"

### CONTINUATION OF LETTER TO THE EDITOR

continued from page 3

body of public opinion behind a reason-  
able program for the farmers  
which would ensure plenty and pros-  
perity for all. Since then the tendency  
has been evidenced, more strongly  
and instead of advancing a reason-  
able program of direct action behind  
which all public support could rally,  
the union is interfering in politics. In-  
stead of advancing a proposal to the  
Food and Agricultural Organization  
so that the food supplies of Canada  
can be distributed most equitably  
and bring fair returns to the farmer,  
the Board of the AFU sent a letter  
to the Prime Minister of Canada  
asking him to use his influence to  
have Trieste turned over to the  
Yugo Slav nation, which action is  
entirely outside the realm of a Farm-  
ers Union, but shows where the sym-  
pathies of the majority of the Board  
lie. Their present threatened strike  
action will, if carried to consumma-  
tion, engender hardship and strife,  
and is not even agreed to by other  
bodies of organized farmers. Instead  
of advancing the policy as presented  
in their Action Program, and which  
has been endorsed by two Annual  
Conventions, the executive have set  
out a strike ballot containing propo-  
sals which are contradictory and  
have not been endorsed by an Annual  
Convention. They are asking for  
Parity Prices and at the same time  
want a certain stated fixed price  
for wheat for 5 years. Such a propo-  
sal throws aside the whole princi-  
ple of parity prices which has al-  
ways been the basis of the Union's  
demands, and shows that the execu-  
tive does not understand the basic  
principle for which they are sup-  
posed to be fighting.

It is evident that some individuals  
are trying to get the AFU to support  
the political aims of the CCF and  
bring about State Farms in a simi-  
lar manner to those Labor Unions  
which have recognized the CCF as  
their official political representa-  
tives, are trying to force the Nation-  
alization of Industry by continual  
strikes. If the AFU is to be consti-  
tuted, it can only make demands in line  
with the principle of parity prices,  
and in the instance the executive  
are leading the membership astray.

### CHANGE AND REST

Vary your chores. Unrelieved ap-  
plication to one phase of labour  
makes for dullness and falling ef-  
ficiency. This is the advice of the  
Department of National Health and  
Welfare. The health experts declare  
that, while work probably never  
killed anyone, a change is as good  
as a rest, and there should be variety  
to add spice to everything in work  
and play.

Those members who wish the AFU  
to stay non-partisan will have to  
fight hard to stay the present ten-  
dency and see that the Union's activi-  
ties are devoted entirely to a pro-  
gram for parity prices which can  
only be attained and maintained by  
a fundamental change in financial  
policy.

Yours truly,  
GEO. BEVINGTON,  
Kenno Lodge, Edmonton

Neither Rightists nor Leftists  
want what's right. Neither will be  
satisfied with what's left.

### PUBLIC NOTICE

Regular classes at the Wainwright  
High School will begin this year on  
Tuesday, September 3rd. It is pro-  
posed to enrol as many students as  
possible before that date. For this  
purpose I shall be in my office at the  
High School on the following dates:  
Friday, August 30th  
9:00 A.M. to 12:00 Noon  
2:00 P.M. to 4:30 P.M.  
Saturday, August 31st  
9:00 A.M. to 12:00 Noon only  
All students who find it possible  
to register during these days are  
urged to do so in order that time  
may be saved and careful attention  
given to each student's programme.  
28-8 D. SMITH, Principal.
